

## Summer Fun

Welcome to our Summer 2021 Parent Newsletter, in which we celebrate the little ones in our programs. They shine so bright, like the summer sun, bringing joy to our hearts. In this edition, we also recommend a few fun, family activities, share another great recipe from Chef Caroline and salute some team members who keep Making a Difference!

From all of us at [Kids@ Churchill Park](http://Kids@ChurchillPark), we hope you create wonderful memories this summer of time well-spent with family and loved ones!

## IN THE KITCHEN... with Chef Caroline

### Chimichurri Chicken

I was talking recently with Nithya, Alternate Manager at our Kahanoff Child Care Centre. She told me that one of her favourite chicken recipes from our kitchen is the Chimichurri Chicken. She suggested to me to share the recipe with all of you so you can enjoy it, too! This recipe needs a bit of preparation, but it is delicious and rewarding! It is the perfect dinner for the summer season. The herbs in the sauce are so refreshing! Please visit our [Blog](#) for the recipe!
